**ERRON

CLARKE**

**THE FOLLOWING IS INFO FROM ERRON ANTHONY
CLARKE, PETITIONER,
V. U.S. DEPARTMENT OF HOMELAND SECURITY,
ET AL.**

Erron Anthony Clarke
entered the United States
legally at the behest of an
employer.

He has **no record** of
violence, drug use or
criminal history.

On December 5, 2025, ICE
agents **kidnapped** Clarke.

He became one of **nine** men locked in a putrid and cramped “hold room” – a small cell containing an **open toilet** – designed to briefly detain a **single** individual. ICE held them, day after day, without access to **bunks, bedding, soap, showers, toothbrushes or clean clothes.**

The space was **unheated** at night, while the outside temperature dropped to as low as **21°F (-6°C)**

The men were provided two packaged meals a day. To the extent they could sleep, they did so, crammed on the **filthy** floor, while the **lights** blared **24 hours a day.**
